**blount\_pride** Time's gettin' close, y'all! Here's a thing or two you need to know about Blount Pride 2023.

✨ No weapons, no alcohol, no illegal drugs.

✨ Young children must be accompanied by an adult. Our kids activities and storytime are not drop-off.

✨ Primary parking is in the lot beside Clayton Center. Please reserve the closest parking area for those with mobility needs. Overflow parking is behind Fayerwether Hall (see map).

✨ There will be two entrances/exits with security: one from the Clayton Center parking lot and one at the steps down from the rest of campus. You must enter through one of these and receive a bracelet from our volunteers.

✨ There will be absolutely no photography or videography in the Nutt Theater (main stage). If we see you with your phone or a camera out, we will stop the show and remove you from the theater.

✨ Absolutely no admittance backstage except for staff and main stage performers.

✨ Please follow instructions from Blount Pride staff, Clayton Center staff, security and law enforcement.

We're so excited to see you at Blount Pride! It's gonna be a great day!
